News Release

Pump Station Site to be Purchased in Mineral Springs

October 8, 2013, Monroe, NC – The Union County Board of Commissioners on Monday authorized the purchase of 0.4 acres in Mineral Springs for a pump station.

At their May 6 meeting, commissioners approved moving forward with a plan to provide sewer service to Mineral Springs. The project consists of approximately 7,100 linear feet of 8-inch gravity sewer, a pumping station and 3,200 linear feet of 4-inch force main to provide public sewer to the Hwy. 75 portion of Mineral Springs.

Design of the project is expected to be finished within four weeks, and the project will be bid in November. Construction should be completed by July 2014.
